

## B.I.O.N.I.C. 12-12-12 “Make History Today” Challenge

What would our world look like if every person for one day, did one nice thing for someone else every hour for twelve hours? The B.I.O.N.I.C. Team (which stands for Believe It Or Not I Care) at Green Mountain High School wants to know. December 12, 2012 – designated by 12-12-12 – is the only day of its kind that most people alive today will see in their lifetime. So let’s make history on that day! There are several ways to get involved.

**Individually** – We are challenging you for twelve hours on 12-12-12 to do one nice thing each hour for someone else. Here are some ideas:

- **Say “hi”**
- **Thank a teacher for grading your work**
- **Thank your parent for coming to your game or doing your wash**
- **Tell someone what you appreciate about them**
- **Say “thank you”**
- **Open the door for someone**
- **Let someone else go first in line**
- **Pay for someone’s coffee**
- **Look for someone sitting alone at lunch and invite them to eat with you**

We also encourage you to take 12 “Make History Today” cards (see example below) and give one to someone each hour – or more if you want. A mock-up will be available in November for you to copy. Just write the recipient’s name on the card, and you may want to write on the back what you appreciate about them. So if you do an act of kindness each hour like those mentioned above and/or give a “12-12-12” card, just think of what our world can be like on that day! For one day, will you take the challenge? Let’s make history together!

**Schools, businesses, churches, etc.** – We are challenging schools, businesses and churches to see how many outreaches they can accomplish as a whole on 12-12-12. If your school, businesses or church wants to participate, contact us at [bionic121212@gmail.com](mailto:bionic121212@gmail.com) and we will get you information. “Like Us” our “BIONIC 12-12-12” Facebook Group page – we are hoping people from the schools all over the world will use to let us know what their schools are doing. We’ve even created a Twitter account to give people ideas on how to make a difference in someone’s life at @Bionicteam.

**Rally** – Over 530 schools around the world have expressed an interest in starting a B.I.O.N.I.C Team at their schools. We are having a rally on 12-12-12 at the University of Colorado @ Denver at 3:00 MST that we want to simulcast to schools and others around the world. If you live near Denver, consider bringing your B.I.O.N.I.C. Team to come and celebrate the difference we made that day! If you live more than a couple hours away, we encourage you to stay at your school and help them do their outreaches instead of being out of your building all day. The Rally will be from 3:00-4:00. Then from 4:00-5:00, we will have “Stop and Serve” Stations to participate in some service projects to create gifts in an effort to reach out to the homeless, elderly, troops, and Children’s Hospital.

If you would like to participate or have any questions, contact us at [bionic121212@gmail.com](mailto:bionic121212@gmail.com) or call Sandy Austin at 303-982-9402. Thanks for helping make the world better in one day with the hopes that it will carry on to other days!
